**The Thirty Second Meeting of the ASEAN Commission on the Promotion  
and Protection of the Rights of Women and Children**

**(32<sup>nd</sup> ACWC Meeting)**

**4-5 May 2026 via Video Conference**

### Concept Note for Proposed Project for ACWC Work Plan 2026-2030

|                                                                                                                                  |                                                                                         |
|----------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|
| Indicative Title:                                                                                                                |                                                                                         |
| Proponent/s:                                                                                                                     | Lead:<br>Co-leads (if any):                                                             |
| Brief Description:                                                                                                               |                                                                                         |
| Project Objectives:                                                                                                              |                                                                                         |
| Project Outputs:<br>Relevant Strategic Goals, Objectives and Measures in the ASEAN Community Vision 2045 and Its Strategic Plans |                                                                                         |
| Project Type:                                                                                                                    | <ul style="list-style-type: none"> <li>• One-off event</li> <li>• Multi-year</li> </ul> |
| List of Indicative Activities:                                                                                                   |                                                                                         |
| Relevant thematic area in ACWC's work                                                                                            |                                                                                         |
| Cross-sectoral collaboration (Y/N)                                                                                               | If "Yes", please identify the relevant ASEAN Sectoral Bodies to be engaged              |
| Timeline of Implementation:                                                                                                      |                                                                                         |
| Potential Partner/s:                                                                                                             |                                                                                         |
| Indicative budget:                                                                                                               |                                                                                         |
| Other relevant information:                                                                                                      |                                                                                         |
